

Our Troop 420 Vision is to:

- Organize and operate our Troop so that any visitor observing our troop meetings or outings, for even a short period of time, will be able to identify our youth leaders and Scouts working together in patrols.
- Build patrols that provide enough fun and opportunity that Scouts will remember their patrol name and patrol activities for years to come.
- Organize our troop meetings and outings in accordance with the Guide to Safe Scouting and to organize them so they provide enough fun and learning to ensure that Scouts will continue to attend.
- Guarantee that all current and new Scouts always feel welcome at troop meetings and outings.
- Ensure Troop 420 continues to grow by having our Scouts visit Cub Scout pack meetings and Cub Scout den meetings.
